

# **Dear families in the NSGCS U4/5 Program.**

We were pleased to get clarity from the Provincial Health Office regarding Youth INDOOR Sport.

ALL ADULT parent participants (limited to one/child) do NOT need to provide proof of vaccination in order to enter and participate with their child. The NSGIF remains a clean and safe facility. At this time, in order to protect our most vulnerable, unvaccinated youth, there are NO Spectators at the NSGIF. All parent participants MUST wear a mask when entering/exiting the facility and when inside but not engaged in active training (sidelines, team meetings, etc.).

We ask for your support in helping to prevent the spread of COVID-19. All participants should complete a Daily Health Check, which can be found on our website or through your TeamSnap mobile application, and please do not come to your session if:

You are feeling unwell

You have been in direct contact with someone who has tested positive for COVID-19

You have been directed by Public Health/Vancouver Coastal Health to self-isolate

Thank you. Stay Safe, Have Fun!
