

Director of Coaching / TD

Are you passionate about empowering and coaching youth? Are you a leader, a coach, a manager?

We are looking for a permanent, full-time experienced Technical leader to support the development of all NSGSC soccer programs - on and off the field. At NSGSC we believe FUN is critical to keeping our youth in the game. As one of the only female-first Clubs in Canada, we strive to empower, inspire and develop our players, coaches and volunteers everyday. If YOU are passionate about these things, you could be a good fit for NSGSC.

With over 2000 youth players, plus Women/Adult, and other specialty programs, NSGSC operates 7-days a week, almost all year round. We provide support for training and development to help advance your career in sport.

Successful candidates should have the following skills:

- Proven technical leadership in a similar size sports organization, preferably soccer-based
- Coaching experience focused on youth - both grassroots and high-performance levels
- NCCP Certified: minimum CSA National Youth, A or B License or equivalent; BCS TD Diploma is an asset
- Passion for inclusivity, diversity and advancing women/girls in sport
- Creativity and innovation with program development and problem-solving
- Experience managing a flexible staff and direct reports
- Experience working with volunteers and Board of Directors
- Recruitment of staff coaches; coach training and motivation
- Excellent communication - written and verbal
- Working knowledge of MS365/Office & Session Planner software
- Reporting and metrics development and tracking
- Financial acumen for budgeting, revenue generation, and expense management

In addition, the following experience is considered an asset:

- Knowledge of and/or experience implementing CSA's LTPD
- Working knowledge of registration-based software systems like TeamSnap
- Comfort with online/digital meetings and presentations
- NCCP CSA Grassroots certifications, Respect in Sport certifications, Concussion awareness training & First Aid training
- Post-Secondary degree or diploma

PLEASE NOTE: you must live (or be willing to relocate at your own expense) and be legally allowed to work in Canada to apply.
