

NSGSC is looking for exceptional coaches to work with our club with our high performance Renegades/Select teams. As a coach at this level within NSGSC, you will have the ability to guide and lead players through appropriate skills training based on age of the players; work with a team of professional staff and other coaches to carry out the Renegades soccer program; strong communication skills with players, parents and club staff; lead and demonstrate respectful behaviour with players, officials, and spectators.

The role typically needs you available from mid-August through to April for our regular league season – generally, there are two practices in the evening scheduled during the week, along with a game on Sundays. Occasional soccer tournaments encompassing long weekends will also need to be considered from a time perspective. Additionally, Post-Season/Spring will typically run May through to early July. While not a full time position, it will require the willingness to commit to the team and the hours as scheduled for the team – 25 hours a week.

Some of the skills/qualifications needed for this role are:

- Licensing:
 - National 'B' license, or Provincial 'C'
 - U13 & older – licensed for working with youth ages 13-18
- Ability to work with various age groups of female players and create positive, supportive coach support for the team
- Proven ability to lead a youth team and help players increase their skills and confidence.
- Basic First Aid and/or CPR recommended and considered an asset.
- Would be an asset to have a vehicle or reliable transportation to ensure ability to get to games that will be held in the Lower Mainland – anywhere from areas of the Fraser Valley, to Richmond, Surrey, etc.

NSGSC requires that the successful candidate must have or be willing to successfully complete the following:

- Valid criminal record check with a vulnerable sector check
- CSA Grassroots Soccer For Life (Online Theory / On-Field Practicum)
- CSA Grassroots Making Ethical Decisions
- Respect In Sport (Online Theory)
- Keeping Girls In the Game (Online Theory)
- Ensure that training plans of NSGSC are adhered to.
- Ensure that review of training plans are reviewed on a regular basis.
