

MARCH 2026

POLICY

REFUNDS & COLLECTIONS POLICY for ALL NSGSC PROGRAMS

NSGSC is a not-for-profit organization.

This policy contemplates the following considerations:

Ongoing inflation, safe sport movements and professionalization have all increased several operational costs for NSGSC. These include:

- Increased fields and limited availability of field times due to increases in participation and innovation of other sports post-pandemic
- New mandatory team equipment requirements (cones, balls) for efficient training
- Addition of a security system after an increase in break-ins and vandalism, to protect our valuable indoor Bubble facility
- Addition of new professional and technically licensed staff to improve player development
- NSGSC commits to some program expenditures well in advance of the season or camp as registration numbers are determined. These expenses are not recoverable to the Club if/when a member withdraws.
- At all times, NSGSC is responsible for safeguarding the long-term financial stability of the club.
- Please allow 1-2 weeks for refunds to be processed.
- The final amount of any refund will be at the NSGSC's discretion. Refund amounts subject to change.
- NSGSC understands that unpredictable situations come up suddenly, and agrees to work with families on unique cases. If your situation requires, please email us at registrar@nsgsc.com

COLLECTIONS NOTICE

For players on a pro-rated multiple payment schedule, should they fail to complete payments, they will be contacted by the Registrar on two (2) instances over a 30-day period following the due date of the fees. Failure to communicate with the Club Registrar and/or making mutually agreeable alternate arrangements will result in their suspension from all club programs. Unpaid registration fees after the expiry of the 30-day period may also result in the member being removed from the roster and active status within the District and BC Soccer.

Where a payment plan has not been established between the Club and a registrant, the Club upholds the following principles in respect to the collection of any amounts due and payable to the Club by any registered member:

- ⇒ Unpaid registration fees after the first month of any season of play or development program may result in the player being immediately removed from the roster and removed from active status within the District and BC Soccer.
- ⇒ Unpaid registration fees or payment due on the account beyond 30-days from its due date will render the account to be not in good-standing and registration for Club programs will no longer be made available until the account is brought up to date.
